

GENERAL TERMS

We require full payment before we commence dispatch, commence work or order goods. Any quotations are valid for 30 days from the date of the document and any sales orders received after the 30-day period will be subject to the prices current on the date the order is placed. You will be advised of any price difference when the order is received. No quotation or estimate given by us to you will be binding until such time as we accept an order for the goods.

A Stock Item is an item that is held in stock and does not have to be ordered in, made to order and/or finished to order. A Stock Item can be dispatched within 2 days if required.

The majority of our products are **Non-Stock Items** because they are **made and/or finished to order**. As they are not items that are in stock, we have to commission them for each individual order. Lead times for these items will vary from 4-6 weeks depending on the product and quantity. The member of staff processing the order will advise when the order is received.

A Bespoke Item is a design that is not in our usual product portfolio or is a modification to an existing product. **A Bespoke Item** is made exclusively to a customer's specification and therefore is non-returnable and non-refundable. Lead times for these items will be quoted on an order by order basis.

On placement of an order we will send you an Order Acknowledgement indicating that your order has been received. This will list the quantity and description of the items ordered and the payment total. Please let us know immediately if you need to change anything. Please note that in some cases lead times are between 4-6 weeks. You will later be advised by email of an estimated delivery date with your Order Confirmation. A dispatch tracking number can be provided upon request. All orders are expressly subject to our Terms and Conditions.

Goods remain the property of Hector Finch Lighting Ltd until paid for in full.

All orders are subject to availability.

Particular electrical requirements must be specified at the time an order is placed. There may be an additional charge for this service.

We reserve the right to refuse delivery to any individual or company.

We reserve the right to discontinue products and to change our prices. Please note that any changes to orders that require additional materials may incur an additional fee.

We reserve the right to change our Terms & Conditions from time to time and your continued use of the website or any part of it following such a change shall be deemed as acceptance of the new Terms. It is your responsibility to check regularly for any changes to these Terms.

VAT is payable on orders in the UK. Customers in the EEC must pay VAT unless a valid VAT number is provided.

Whilst every effort is made to check wiring on our goods, we cannot be held responsible for faults that occur after installation.
