2 ONOS 55 M ADJUSTABLE PENDANT LAMP FROM HECTOR FINCH LIGHTING

The Onos Pendant Lamp is an elegant yet practical light in the Hector Finch range. The Onos is ideal for over counters and islands in the kitchen and is popular for use over breakfast tables. The shade may be adjusted for optimum lighting levels. Made in Germany with characteristic precision engineering, it is a beautiful solid brass fitting designed by a company whose roots stem from the Bauhaus. At Hector Finch we are delighted to be represented in Chicago by Michael Cleary who have a showroom in the Merchandise Mart where a range of our products can be viewed. hectorfinch.com, 312.464.0800

3 FIANDRE'S NEW DARK MARQUINA

Fiandre, the leader in high-tech innovative Italian porcelain surfaces, introduces Dark Marquina, an amazing reproduction of the famous Spanish marble Nero Marquina, characterized by a distinctive white veining pattern that cuts across a deep black background, lending spaces character and elegance. The exquisite Dark Marquina is available through the company's own distributor Transceramica and can be viewed at their Showroom, 314 W. Superior St. Suite #100 312.506.2880, transceramica.com, granitifiandre.com
